THURSDAY 28 <sup>TH</sup> MAY	9.00-3.50	ART PROJECT DUE

### ASSESSMENT GUIDELINES FOR STUDENTS

- Assessments are an opportunity to celebrate your learning.
- Your teachers will provide you with the assessment each day as per timetable above.
- A paper copy will be provided to those students already receiving printed work from their Yearhead.
- Engage with your teachers and your classes for the remainder of the term.
- Organise a workspace that will help you to concentrate on the task in hand.
- Be aware of your assessment timetable. Know exactly when you have assessments, project deadlines etc.
- Communicate with your teachers if you are unclear about arrangements.
- While the format of the assessment may differ from what you expected, it is still important, and you should give it your very best shot.
- Organise the materials/books/technology you need for your assessments in advance. Do not leave it until the last minute.

- Approach your assessments as you would in school ~ Follow school rules (social media, eating, chatting etc.) ~ Stick to allocated timeframes Respect the assessment process – it is ‘your own’ work that is being assessed, not ‘work belonging to somebody else’.
- Submit your work on time before 3.50pm each day and in the correct format.
- Reports will be posted as normal in June
- Late submissions will not be accepted unless prior agreement with Year head (please note that late submissions may not reflect on report in June and will be updated in September)
